INFORMATION DISCLOSURE STATEMENT **UNDER 37 C.F.R. § 1.56**

Assistant Commissioner for Patents Washington, D.C. 20231

Sir:

Submitted herewith on Form PTO-1449 is a listing of documents known to Applicants in order to comply with Applicants' duty of disclosure pursuant to 37 C.F.R. § 1.56.

The submission of any document herewith, which is not a statutory bar, is not intended as an admission that such document constitutes prior art against the claims of the present application or is considered to be material to patentability as defined in 37 C.F.R, § 1.56(b). Applicants do not waive any rights to take any action which would be appropriate to antedate or otherwise remove as a competent reference any document which is determined to be a prima facie prior art reference against the claims of the present application.

> **CONCISE EXPLANATION OF** RELEVANCE OF EACH DOCUMENT

Applicants are submitting herewith on Form PTO-1449, a listing of the documents cited by or submitted to the Patent Office in parent application Serial No. 08/465,242, filed June 5, 1995. The relevance of these documents is explained in the parent application.

As provided in 37 C.F.R. § 1.98(d), copies of the documents are not being provided since they were previously cited by or submitted to the Patent Office in parent application Serial No. 08/465,242 filed June 5, 1995.

Since this Information Disclosure Statement is being filed in compliance with 37 C.F.R. § 1.97(b) before the mailing of the first office action on the merits, no fee is required in connection with its filing.

Applicants respectfully request that the listed documents be considered by the Examiner and be made of record in the present application and that an initialized copy of Form PTO-1449 be returned in accordance with M.P.E.P. § 609.

Respectfully submitted,
